Competition music:

1. Music for our Jack & Jill and Strictly Swing competitions. Our chief DJ will appoint a competition DJ to select music for each Jack & Jill and Strictly Swing division. Music for finals spotlight dances will be approximately the same length of time for each couple. The exact time of fade out is left to the DJ's discretion to maximize the effectiveness of the music. If our judges need more time to determine callbacks or final placements, our chief judge may ask the competition DJ to play additional music.

2. Music for ANY routines. You must provide your own music for your routine. You must submit your music to our competition DJ at least 3 hours prior to your competition. If possible, please submit your music before the event or bring your music to floor trials (see the weekend schedule). Please supply your music to the DJ on a USB flash drive. You may also want to bring a backup copy. You are responsible for retaining additional practice copies.

City of Angels is a WSDC registry event. Every effort has been made to ensure our event rules follow current WSDC rules. However, if there is a conflict, the WSDC rules take precedence.

City of Angels Competition Rules

We offer the following WSDC divisions:

Newcomer, Novice, Intermediate, Sophisticated, Masters, Advanced, All Star & Champions Jack & Jill

We use the WSDC points [registry](https://www.worldsdc.com/registry-points/) to determine eligibility for WSDC Jack & Jill skill level divisions. <https://www.worldsdc.com/registry-points/>

If you don't have any WSDC points, you should enter our Newcomer Jack & Jill division. You may enter only one skill level division (Newcomer, Novice, Intermediate, Advanced, All-Stars, or Champions) in your primary role.

If you are 50+ years old, you may also enter the Masters Jack & Jill.

If you are 35+ years old, you may also enter the Sophisticated Jack & Jill.

You may also choose to compete in your secondary role either one or two levels down. Please review update WSDC requirements.

Note: Some competitors may be required to compete in a higher division in Strictly Swing, because their partner qualifies the partnership for the higher level. Competing or placing in a higher level Strictly Swing doesn't qualify you to compete at that level in a WSDC Jack & Jill competition.

Submitting a petition:

– Individuals may enter a maximum of two unique skill divisions within two different roles. Per the WSDC rules, a dancer will be allowed to dance down one to two levels at their own discretion without seeking a petition(per WSDC Rules). However, under no circumstances is a dancer that has an intermediate point or higher in their primary role allowed to dance in Newcomer in their secondary role. The only dancer allowed to dance in Newcomer in their secondary role is a Novice Dancer who has no Novice points in their secondary role.

Petitions may only be submitted to dance one level up or down in their dominant role. [Petitions](#) to dance up, including 2 videos, must be submitted 15 days prior to the start of the event to the Chief Judges Committee: [worldsdc.com/level-up-petition](https://www.worldsdc.com/level-up-petition).

To petition down, dancers must fill out the form available at event registration, or print [from here](#) and bring to registration. "Dancing down" petitions must be submitted prior to the contest deadline cutoff. In the case of all petitions submitted, our Chief Judge will review your petition and either approve or deny your request. You will be contacted with the decision as soon as possible. Please be prepared to dance in your original competition level or division in case your petition is denied. The petition form to "dance down" is available here: https://www.worldsdc.com/wp-content/uploads/2023/12/WSDC-Jack-and-Jill-petition_vF_Oct-2023.pdf

If you have petitioned to dance down in a different division at one event, this does not "carry over" to the next event. You need to petition at the next event as well. Once you have competed and earned points in a higher division, you should stay in that division (if you continue to qualify).

Non WSDC All American Jack & Jill: Competitors randomly draw one partner and stay with that partner through all rounds. All levels of dancers are welcomed and encouraged to enter.

Non WSDC Champ/All-Star Challenge. The top five winners in both All-Star and Champs will compete for extra honors.

Strictly Swing skill level divisions:

1. Novice Strictly Swing. This division is intended for dancers with limited competition experience. You may enter this division if you and your partner both qualify for our Novice Jack & Jill division in your chosen roles (and neither partner qualifies for our Intermediate, Advanced, All-Stars, or Champions Jack & Jill division in your chosen roles).

You may enter this division if you or your partner qualifies for our Intermediate Jack & Jill division in your chosen roles (and neither partner qualifies for our Advanced, All-Stars, or Champions Jack & Jill division in your chosen roles).
